Choosing the Right Teddie for Your Body Type

When selecting a teddie, it's crucial to consider your body type. Do you have an hourglass figure, a pear shape, or an athletic build? Each body type can benefit from different styles and cuts.

- **Hourglass:** Look for teddies that cinch at the waist to highlight your curves.
- **Pear Shape:** Opt for styles with embellishments on the upper half to balance your proportions.
- **Athletic Build:** Choose teddies with ruffles or lace to add volume and softness.

Accessorizing Your Teddie

Accessories can elevate your look and make you feel even more confident. Consider adding a silk robe, a pair of high heels, or some delicate jewelry. These additions can transform your teddie from simple to stunning.

Building Confidence in Sexy Teddies

1. **Practice:** Wear your teddie around the house to get comfortable with how it feels and looks.
2. **Posture:** Stand tall and maintain good posture to exude confidence.
