The owner of Priority Shredding was thorough and timely. His word was bond which gave me the dependability I was looking for. I'm very territorial with my documents and he handled them with care and high standards. I have their number saved in my phone and will be using their services again!

We had a great experience with Priority 1 Shredding! They were timely, easy to work with, and got the job done! It was wonderful to coordinate this service for one of our organizing clients, and they were able to pick up the papers to be shredded while we were onsite.
