Greeted with a smile and very pleasant! Max was very prompt and professional. Before unloading my furniture, he wanted to make sure how much space he is dealing with to safely move a heavy piece in for me in a narrow entrance and stairway. He carefully protected my piece and efficiently got to the 3rd floor of my house. Thank you for your services. I will definitely recommend you to those I know for pick up, delivery and moving services!

Max was awesome! If you need someone to pickup a FB Marketplace item, Max is your guy. Prior to picking up he answered all my questions and concerns in a timely, and friendly manner. He took great care of the item during transport and even brought it up to my unit. I highly recommend Max for any moving or delivery need. He is courteous and friendly. If I could give him more stars I would. Great guy with a great service!

Max got glowing reviews from the seller of the wardrobe.  
He delivered the wardrobe from Oakville to the Beaches area, Toronto. And up a few stairs.  
He was very attentive to our questions, communication was prompt.  
We didn't think to ask him to shrink wrap the furniture, but he did recognizing that this was a good piece of furniture. We appreciate his attentiveness and attention to detail.
